- An effective communicator with excellent relationship building & Inter personal skills. Strong analytical, problem Solving & organizational abilities. Possess flexible & detail oriented attitude.

Certifications

- ❖ Microsoft Certified Azure Administrator Associate
- ❖ splunk
- ❖ CNSS Certified Network Security Specialist

Technical Purview

Exposure to Multi-Vendor Platform (Cisco Router, Cisco Switches, Cisco Nexus Series, Cisco ASA, Palo Alto, A10, Infoblox (DNS, DHCP, IPAM), Cisco ISE, Cisco WLC, Akamai Luna Control, Azure Cloud infra, Oracle cloud infra,

Employment Record

CAPGEMINI INDIA PVT LTD.

Primary Role: Associate Consultant
Duration: Nov2018–Till Date

- ❖ Plan and deliver major transformation initiatives for continuously changing Customer's business dynamics"
- ❖ Compliance in Configuration, Change, Incident and Problem Management.
- ❖ Ensure smooth transition from Designing to implementation and troubleshooting issues that arise during the complete project life-cycle.
- ❖ Documentation of End-to-End Implementation as per Defined Standards.
- ❖ Network Re-design and enabling Smooth transition of Services for Customer Split.
- ❖ Designing and Implementation of Azure Network Services and Oracle Network Services
- ❖ Internet and DMZ Firewall (Cisco ASA) Migration to Next Generation Palo Alto Firewall.

- ❖ Design and Implementation of servers on A10 Load Balancer.
- ❖ Design and Implement smooth segregation for Network resources, Application Environments like Share Point, TIBCO etc. as a part of Network Split Projects.
- ❖ DHCP Services migration from Microsoft DHCP services to Infoblox DHCP services

TRIBOVANDAS BHIMJI ZAVERI PVT LTD.

Primary Role: Network Administrator

Duration: Mar2018-Nov2018

- ❖ Keep all the security policy updated for accessing the “Core-Applications “of TBZ.
- ❖ Creating rules and policies as per new requirement.
- ❖ Configuring VPN tunnel /SSLVPN, IPsec at stores for accessing the critical apps.
- ❖ Creating and maintaining Routing and switching on routers/Switches on TBZ.
- ❖ Handling Higher end devices like “Palo-Alto, Sonic-wall, Nexus5K, UCS-FI6200”atDC/DR.
- ❖ Handling branch end firewall/routers like–Cyberoam15ing, Cyberoam25ing, Cyberoam50ing, Cisco1841, and Cisco1921etc.
- ❖ Performing NAT, PAT on firewall If or external uses as per requirement.
- ❖ Monitoring of PAN India links and providing supports.
- ❖ Documenting and upgrading security devices and routing devices as per requirement.

Key Achievement in TBZ–Implementation of open source server application on Centos Linux “Zabbix” for monitoring the network devices.

Trimax IT Infrastructure & Services Ltd

Primary Role: Network and Security Engineer

Duration: July2017–Feb2018

- ❖ Firewalls such as Juniper Firewall Net Screen-ISG-1000, NetScreen-SSG-550/SRX Series
- ❖ Cyberoam CR25 and Cyberoam Net Genie UTM Device etc.
- ❖ Create and modify VLAN on Cisco and D-link switch-DGS-3120 series.
- ❖ Monitoring and divert Network on secondary router in case of utilization.
- ❖ Analyze and troubleshoot network performance with Net If ow and cacti.
- ❖ Net flow Analyzer: Analyzing network traffic from every interfaces from source IP address to Destination IP address for the devices such as router, switches

Wipro Info Tech (Franchisee Impact Infotech)

Primary Role: Network EngineerL1

Duration: July2015–July2017

- ❖ Troubleshooting of routing Protocols like BGP, EIGRP to ensure minimum downtime and maximum availability of the network.
- ❖ Monitoring link uptime & bandwidth utilization by Nagios (OTRS Tool).
- ❖ Handling MPLS BGP Multi home network (Multiple service provider Link:-Airtel, Reliance ,Sify, Vodafone, Aircel, TATA, Tikona)
- ❖ Handling Broadband & Vsat (Hecl-Vsat, Airtel-Vsat).
- ❖ Implementation of new router for all zone & branches.

- ❖ Perform device hardening on all routers.
- ❖ Raising Ticket for Technical Queries.
- ❖ Handling Isolation Branches & ensure the link restoration in less downtime.
- ❖ Creating daily isolation reports, Monthly reports, Circle-wise reports & All India Downtime reports

Scholastics

- ❖ BSC (Information Technology) from University of Mumbai with First class in 2014.

Awards

- ❖ “XTRAMile”H22019CloudAwards(2019)>Capgemini
- ❖ “BeNeLuxRewards&Recognition-Q4”>(2020)>Capgemini
